Dear Linda

RE: RELAY FOR LIFE IN AID OF CANCER RESEARCH UK – 4TH JULY 2010

I am responsible for organising the 24 hr entertainment for the next Relay for Life in Huntly which will be staged on the 3rd and 4th July. Relay for Life Huntly hosted the largest inaugural Relay ever in 2009. We raised over £85,000 in funds for CRUK, we had 33 teams entered and over 55 Survivors of cancer attended.

Given that we have set the bar so high, the 2010 Relay for Life Committee has decided to change the focus slightly. Our overriding objective is still to raise as much money as we can for CRUK in the lead up to, on the day, and during the rest of 2010.

Our focus, however will be to make Relay for Life, and therefore Huntly, a destination venue for the weekend of the Relay, 3 and 4 July 2010. By having members of the general public on site with attractions, we hope to raise additional funds by way of donations and contributions from all vendors and stall holders from their profits on the day.

We are keen to organise a massed pipe band session between 11.30 and 12.30 on the 4th July.

I would appreciate if you could send this out to the Pipe Bands in the area to see if they would be interested in taking part.

My contact details are 07733303161 or Alisanne.ennis@atosorigin.com or at the address above.

Thanks for you help and support. Regards

Alisanne Ennis
